**ORDER:**

The Energy Department has informed that the Chairman & Managing Director, APTRANSCO has stated that the APTRANSCO has been in the business of transmission of Electricity at Extra High Voltage (EHV) levels through 132KV, 220KV and 400KV transmission lines and Substations. To meet the demand and to provide quality power, every year, APTRANSCO has been taking up construction of new transmission lines & Substations. Before taking up of construction of lines & Substations, APTRANSCO conducts survey & investigation of the area. There is shortage of Civil Engineering posts in APTRANSCO to conduct survey of transmission lines. The APTRANSCO has examined the issue of shortage of surveyors and decided to establish ten (10) Survey and Investigation (S&I) subdivisions @ 1 Sub-division for each Construction Circle (Field), with the following staff pattern for each Subdivision:

|  |  |
|--|--|
| Assistant Executive Engineer/ Civil      | .... 1 No.                                 |
